[The Flaming Lips](#) are coming to *Yo Gabba Gabba!* Oklahoma's most famous psychedelic rockers will appear on the Nov. 5 episode of the popular kids' show singing "I Can Be a Frog," from their 2009 album *Embryonic*. Hit the jump for an exclusive minute-long preview of their performance.

As you'll see, "I Can Be a Frog" is a catchy tune about the power of imagination. Lead Lip Wayne Coyne sings it while wearing multiple hats.

Cute, right? Will you be tuning in to Nickelodeon at 11:30 A.M. on Friday, Nov. 5? Let us know what you think in comments.
