11:30AM-NOON

Yo Gabba Gabba!

Nick Jr., TV-Y

Gabba may never find an audience outside of toddlers and stoners, but today's visit by indie-rock band the Shins will have you singing along, too. The group wrote a bouncy tune just for the show that's called "It's OK, Try Again." Remember those jams on *The Great Space Coaster*? Oh, yeah, it's that good.
